

To whom it may concern;

It was a great pleasure to have Mr. Frank Caputo build our garage. Not only did he do a more than satisfactory job, but he and his crew worked overtime and very hard, to ensure that the job was completed by the time of our essential deadline. He began on the 12th of April and was finished our 24 by 32 foot building by the 28th of April.....in our estimation an astounding feat. All the while he executed every request and need we had, and was very gracious to work with.

Sincerely, Cathy and Clark Collins
